Dear sirs,

I very much admire your idea for business aimed at people loving beauty of such a classics as Piaggio Vespa.

I'm planning to set up a company importing vintage restored scooters and I'm doing a market research for my business plan at the moment. I would appreciate if you could provide me with your prices for shipping to Poland. I would also like to know what is the discount for a wholesale buy and does the amount of scooters ordered at one time change the shipping cost.

Looking forward to hearing from you soon.

Yours Sincerely
