Hi Le,

Great news about the windshield.

I can see the cargo insurance on the invoice is 50 USD per scooter, however on your website it's 150 USD. Is it because of a discount or is it a different one?

The invoice includes shipping to port of Warsaw, but the "ship to" address is in Krakow. Please specify where can you ship the scooters: If it can be Krakow it's perfect (I'll give you the warehouse address). If it's Warsaw, could you tell me what's the exact place of delivery or what company operates deliveries in Poland?

We received our Tax Identification Number (NIP) today and I would like it to be placed on the invoice, so please update our details:
