Hello Le,

I ordered the bank transfer of 3215 USD today.

It will be made in express mode, you should have the money on your account before Friday, so you can start work on scooters. I will email you the confirmation of money transfer as soon as I will get it from my bank.

We can't wait to see the pictures when you start your work. I hope this is a beginning of a great cooperation!

Best Regards,

--
